

Information about our  
**ADDED SAVINGS  
PROTECTION**

Deposit accounts at Kaiperm Credit Union are insured up to \$1,000,000. This exceptional level of coverage is attained through a combination of federal insurance provided by the National Credit Union Administration (NCUA) and private insurance from Excess Share Insurance Corporation (ESI), the nation's largest private deposit insurer.

### ESI'S COVERAGE

First, NCUA's basic federal coverage insures credit union members' deposits up to \$250,000, but accounts may be structured in different ways — such as joint, payable-on-death or IRA accounts — to achieve federal coverage of more than \$250,000. For details about federal deposit insurance, or how to structure accounts to qualify for greater federal coverage, please check with a Kaiperm Credit Union representative or contact NCUA.

Second, accounts exceeding the maximum level of coverage provided by NCUA are also insured up to an additional \$750,000 by ESI. For example, if a member has a regular savings (share) account, checking (share draft) account and certificate of deposit (share certificate) that together add up to \$1,000,000, then \$250,000 is insured by NCUA and the remaining \$750,000 is insured by ESI.

### ESI'S POLICY

- To be eligible for excess coverage, the credit union must comply with ESI's **rigid underwriting standards**. Also, ESI's insurance policy requires that every quarter the credit union submit financial statements and a listing of accounts eligible for excess coverage in order to continue coverage.
- Individual policies are not provided to members, and there is no direct cost to members for this coverage. It's an additional **benefit** for being a valued Kaiperm Credit Union member!
- It is important to note that both NCUA and ESI offer coverage payable only upon the failure and liquidation of the credit union. To qualify for ESI's extended protection, Kaiperm Credit Union has met **strict underwriting criteria**, which speaks to the **safety and soundness** of your credit union.

### ABOUT ESI

- Headquartered in Dublin, Ohio, ESI is a wholly owned subsidiary of American Share Insurance, a credit union-owned private deposit insurer founded in 1974 by credit unions, for credit unions.
- As a property and casualty insurer, ESI is subject to licensing and regulation by our state's insurance department. Furthermore, the company's financial statements are audited annually by an independent CPA firm and are available upon request through the credit union.
